Chapter 314 §5(B)(2) requires that each utility remit its administrative contribution to the Maine State Housing Authority (MSHA) by October 7 of each year. Chapter 314 §5(B)(1) requires that each utility remit its funding obligation to MSHA either in full by December 15 or in two installments due December 15 and March 15 of each year.

In the past, invoices associated with Chapter 314 have been issued from the Consumer Assistance Division (CAD). This purpose of this bulletin is to make utilities aware the CAD will no longer be issuing the invoices associated with Chapter 314. These invoices will be coming directly from MSHA.

Please contact me at (207) 287-4974 ext. 2005 if you have any questions.
